## APPLICATION FOR BLOSSOM VALLEY KENNEL

Guardianship of any animal is a major responsibility and a long-term commitment. You may share 10-20 years of your life with the dog you purchase. You should be able and willing to spend the time and money needed for proper day-to-day care, training, and veterinary services for your dog for its entire natural life. If you cannot make this commitment, then you should not get a dog. Dogs are not disposable. After you complete this application return to me at:
